

GPOE-PD-BT01

IEEE802.3 bt POE PD module , for AFL3-xxC-ULT5 series

Features

- IEEE802.3bt POE PD Module
- 71Watt Output Power
- 12V DC output
- Input voltage range 36V to 57V
- Tool-less and Easy install

Specifications

| | |
|--------------|--------------------------------|
| Input | |
| Voltage | 36V to 57V DC |
| Output | |
| Voltage | 12V DC |
| Dimensions | |
| Dimensions | 114.96mm X 30mm |
| Interface | |
| Interface | PCIe mini (IEI pin definition) |
| Key Features | |
| Key Features | IEEE802.3bt POE PD Module |
| | 71Watt Output Power |
| | 12V DC output |
| | Input voltage range 36V to 57V |
| | Tool-less and Easy install |
