

# PEMUX-DB-8S1

1-Slot PEMUX backplane, 2 PCIe Gen 3.0 x16 w/ x16 slot, 6 PCIe Gen3.0 x4 w/ x4 slots, and RoHS

## Features

1-Slot PEMUX backplane, 2 PCIe Gen 3.0 x16 w/ x16 slot, 6 PCIe Gen3.0 x4 w/ x4 slots, and RoHS

## Specifications

| Physical Characteristics |                        |
|--------------------------|------------------------|
| Dimensions (LxWxH) (mm)  | 327.69 X 311.10        |
| I/O Interface            |                        |
| Expansion                | 2 x PCIe x16           |
|                          | 6 x PCIe x4            |
| Power                    |                        |
| Power Supply             | ATX power, 24+8pin ATX |
